Operations for Cyber and Data (S6)

Amber Parsley - Product Owner
Clarity Innovates

Agenda

1. Mission & Vision
2. Objectives for the Platform
3. Technical Capabilities & Upcoming Features
4. Demo
5. Q&A

Our Mission

Provide Guardians with a platform that serves as the authoritative source of truth for information, tools, and guidance.

Our Vision

To be the USSF central hub for connection, support, and readiness - bringing everyone together

Objectives for the Platform:

- Supporting continuous evolution
- Engage all Guardians
- Promote USSF unity & values

GUARDIAN ONE

Empowering Innovation with Supra Coders

Built with Guardians...

...for Guardians

Content Management System

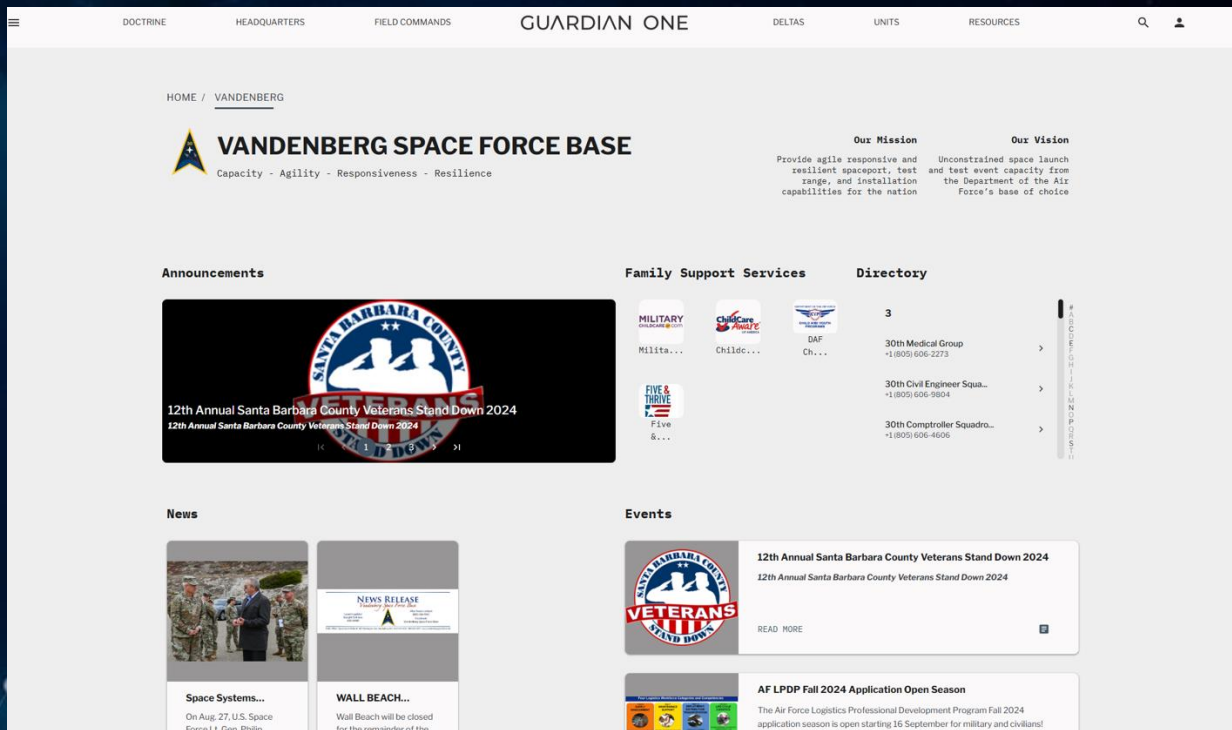

- Publishing Workflows
- Management Dashboards
- Integrated Notifications

Guardian One Web Portal

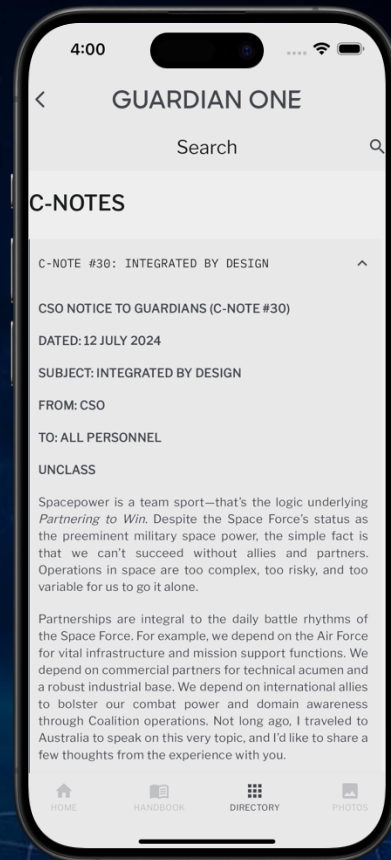

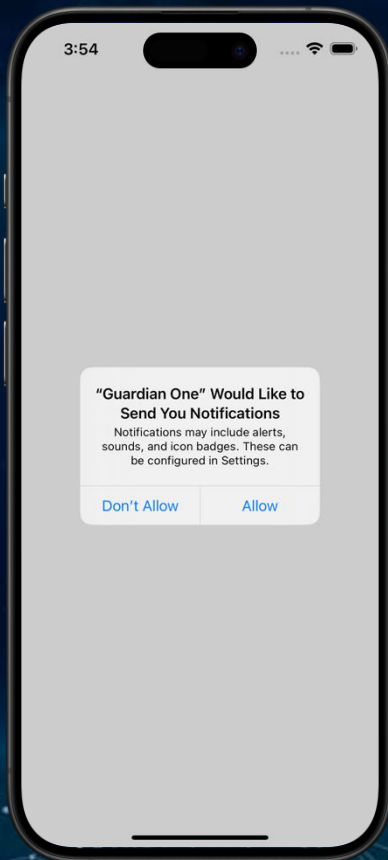

<https://my.spaceforce.mil>

- Customizable Homepage
- User Interface Enhancements
- Customizable Landing Pages

Guardian One Mobile Application

- Enhanced Notifications
- User Interface Enhancements
- Multimedia

Demo

A satellite with a central spherical body and two long, thin solar panel wings is positioned in the upper center of the frame. It is set against a deep blue background of space, featuring a bright, hazy band of light representing Earth's horizon. The overall color palette is dominated by various shades of blue.
