

Business & Enterprise Systems

Information Technology Software

**Ms. Sharon Nettles
Service Manager
AFLCMC/GBQJ**

OVERVIEW

- Program Overview
- Adobe JELA
- Oracle ESLA and AFSEL
- CISCO UC EA and GEMSS

IT Software Program Overview

Enterprise Software Branch

Description

Enterprise S/W Branch provides acquisition and license management of the Dept of Air Force Oracle & Gartner Enterprise License Agreements (ELAs); Adobe Joint Enterprise Level Agreements (JELA); Cisco Unified Communication and Cisco GEMSS Enterprise Agreements

CUSTOMERS: Department of Defense (DoD), SAF CN, ACC/A6, MAJCOMs, COCOMs, Field Users, & other Federal and State Government Agencies

Project

Accomplishments:

- Adobe JELA III OY2 (Sep 2023)
- Oracle ESLA II OY2 (Feb 2024)
- AFSEL III MPR (Feb 2024)
- Cisco UC EA 2 (Jul 2024)

Upcoming Events

- Adobe JELA IV Award (Sep 2024)

Statistics

- ~\$4B in Cost Avoidance

Key Staff

- **PM:** Ms. Sharon Nettles
- **CO:** Capt William Adams, Mr. Timothy Dowling, Capt Tenisha Austin, & Ms. Mallory Ross (DISA/DITCO)
- **FM:** Ms. Shannon Wheeler, Mr. David Porter, Mr. Doug McDevitt
- **SPMs:** Mr. Henry Martin, Mr. Brad Luce, Mr. Ron Wright, Mr. Michael Freeman, and Ms. Stephanie Crow

Adobe Joint ELA IV

SPM: Brad Luce

CO: Lisa Cravens (DISA/DITCO)

Requirements

Provide DAF with licenses for Acrobat Professional (included in SDC) and AEM Forms (supports dynamic forms); along with limited Creative Cloud subscriptions for audio/visual file editing capabilities and other heavily used Adobe products

Direction

SAF-DCIO & ACC/A6

Stakeholder/User

All MAJCOMs/CENTCOM/Joint Staff/NORTHCOM/SOCOM/
STRATCOM/TRANSCOM

Agreement Basics

- SAF CIO fully funds the purchase of the Enterprise Bundle (Acrobat Pro/AEM Forms) for all of DAF
- Purchases of “below-the-line” products (Photoshop, ColdFusion, Creative Cloud Suite, etc.) are the responsibility of unit to MAJCOM/COCOM/FLDCOM level approvers/funders
- Leverages AF Buying Power
- Award of Adobe JELA IV is pending, no vendor/reseller is on contract yet
- **Contact our team for details via org-box address: aflcmc.gbqj.seamls@us.af.mil**

Financial Data

- Contract Value: \$71.2M (DAF Portion - Enterprise Products)
- Fund Type: O&M (PE 33006 Enterprise Services)
- Contract Type: FFP Sole Source/Brand Name
- Cost Avoidance: \$492M est (over 4.5 years)

Enterprise S/W POC

- Brad Luce (G)
- Mark Jones (C)
- Paul Sparks (C)

Program Status

- Contract # TBD
- Award Date: TBD
- Period: 6-month Base Period w/4 Option Years (proposed)
- Expiration Date: TBD
- Vendor/Vehicle: TBD / NASA SEWP

Oracle Enterprise Software License Agreement II (ESLA II)

SPM: Ron Wright
CO: Timothy Dowling

Requirements

Follow-on to DAF Oracle ESLA: Unlimited License Agreement (ULA) consisting of 15 core products, all existing DAF Oracle contracts, and Agency Catalog which provides price hold with discounted pricing on 200+ technology products; provides Oracle Premier Support, Priority Services, and Advanced Customer Support (ACS) DAF-wide. Also includes JAVA SE licenses previously under separate agreement

Direction

SAF CN, ACC/A6, AFPEO-BES

Stakeholder/User

HAF A6, AFMC A4, AF MAJCOMs, HQ CENTCOM, HQ STRATCOM

Financial Data

- Contract Value: \$419.8M
- Fund type: O&M, RDT&E (PE 33003 Compute/Store)
- Contract Type: FFP
- Cost Avoidance: \$3B

Enterprise S/W POC

- Ron Wright (G)
- Stephanie Crow (G)
- Jeffery Quick (C)

Agreement Basics

- provides Oracle technology solutions to over 300 mission-critical systems
- leverages AF buying power; avoids duplication of software purchases
- provides the AF with Advanced Customer Services, which provides 15 dedicated Oracle engineers delivering direct support to Air Force systems with problem resolution, configuration, best practices, and knowledge transfer assistance
- **Contact our team for details via org-box address: aflcmc.gbqj.seamls@us.af.mil**

Program Status

- Contract # FA8771-22-F-0022
- Award Date: 28 February 2022
- Base Period: 12-month base period + 4 option years
- Expiration Date: 28 February 2027
- Vendor/Vehicle: Emergent; NASA SEWP

Cisco Unified Communications Enterprise License Agreement II

SPM: Michael Freeman
CO: Lashunya Johnson-Vinson
(AFLCMC/GBKB)

Requirements

Provides Cisco Unified Communications Cisco On-Premise voice (VoIP phones) subscriptions and maintenance support; includes coverage for s/w, licenses, technical assistance, software patches and updates

Direction

SAF-DCIO & ACC/A60S

Stakeholder/User

MAJCOMs, ANG, AFRC, JS, HAF, USSF, participating COCOMs

Financial Data

- Contract Value: \$72.8M
- Fund Type: O&M
- Contract Type: FFP
- Cost Avoidance: \$49.4M (projected)

Enterprise S/W POC

- Michael Freeman (COR)
- Henry Martin (COR)

Agreement Basics

- Consolidates licensing models, minimizes cost by transitioning the large AF install base to a subscription model, and fill license gaps for the AF's evolving requirements.
- The Cisco EA includes complete coverage for software, licenses, and support for Cisco On-Premise voice and conferencing solutions.
- **Contact our team for details via org-box address:**
aflcmc.gbqj.seamls@us.af.mil

Program Status

- Base Year plus 4 option years
- Contract: FA8771-24-F-0088
- Award Date: 23 Jul 2024
- Expiration Date: 24 Jul 2029
- Vendor/Vehicle: WWT; ESI/NASA SEWP Cisco Reseller

Cisco GEMSS Enterprise Agreement

SPM: Henry Martin
CO: Lisa Cravens
(DISA/DITCO)

Requirements

DAF participation in the DoD Cisco Global Enterprise Modernization Support and Services EA provides 100% Smart Net Total Care coverage for all Cisco hardware, Strategic Consulting and Legacy Software Support Service (SWSS) & DNA software for Cisco applications

Direction

SAF-DCIO & ACC/A6

Stakeholder/User

All MAJCOMs, ANG, AFRC, Joint Staff, HAF, CENTCOM, NORTHCOM, STRATCOM, TRANSCOM

Agreement Basics

- Expands the Air Force's access to SmartNet technical services for Cisco equipment and unlimited Cisco DNA Advantage software licenses for Cisco routing, switching, and wireless technologies.
- Cisco is partnered with the prime contract holder, Iron Bow Technologies. Combined, they will be providing support over the life of the contract
- **Contact our team for details via org-box address:**
aflcmc.gbqj.seamls@us.af.mil

Financial Data

- Contract Value: \$329M (DAF Portion)
- Fund Type: O&M (PE 33004 Connect)
- Contract Type: FFP
- Cost Avoidance: \$135M/FYDP

Enterprise S/W POC

- Henry Martin (COR)
- Michael Freeman

Program Status

- Base Year with 4 Option Years
- Contract # HC108421F0168
- Award/Expiration Date: 1 Jul 2021 / 23 Apr 2026
- Current PoP: 21 Jun 2024 – 23 Apr 2024
- Vendor/Vehicle: Iron Bow; ESI/NASA SEWP
