

AUGUST 24TH – 27TH

EXHIBITOR FACT SHEET

For decades, the Air Force Information Technology & Cyberpower Education and Training Event has been a must-attend event for Air Force IT experts and companies who do business with them. With this year's event being virtual, and able to reach attendees nationwide, the AFITC is more important than ever.

SECURE YOUR PLACE AT THE CYBER TECHNOLOGY EVENT OF THE YEAR

Virtual exhibit booths are branded and companies have the ability to interact with attendees both live and off-line. If your company has solutions to offer the Air Force and the nation, it's time to register for the AFITC.

7 SOLID REASONS TO EXHIBIT AT THE AFITC

- ✓ Showcase cyber solutions the nation needs to know.
- ✓ Meet hundreds of existing and potential customers and secure high quality leads.
- ✓ Claim your share of the thousands of qualified leads generated each year by this event.
- ✓ Network with other cyber thought leaders from government, academia, and business.
- ✓ Get an inside look at how the Air Force thinks and what they need from IT vendors.
- ✓ Participate in private/public dialogs exploring ways to combat malicious cyber activities.
- ✓ Contribute to the national security and economic viability of the country.
