Tactics, Techniques, and Procedures of Indicted State-Sponsored Russian Cyber Actors Targeting the Energy Sector

A person wearing a tactical helmet and night vision goggles, holding a device. The image is dark and serves as a background for the text.

You can't
protect
what you can't
observe

The future of armed
combat is on the
cyber battlefield.

Observability

The background is a dark, blurred image of a circuit board. A large, thin white circle is centered on the page. A horizontal white line and a vertical white line intersect at the center of the circle, forming a crosshair. The text "Data Integrity" is written in a white, serif font, centered within the circle and overlaid on a semi-transparent dark rectangular background.

Data Integrity

The background of the slide is a dark, moody photograph of a campfire at night, with flames visible through the dark silhouettes of trees and rocks. A large, thin, light-blue circle is centered on the image, with a vertical line passing through its center. A horizontal, semi-transparent dark-blue rectangle is positioned behind the word "Survivability".

Survivability
